There have been many **new babies** born in the school over the past few weeks. Belated congratulations to Hannah (Rang VI) and her family on the birth of her brother Luke way back in September. Congratulations to Leah (Rang IV) and her family on the birth of her sister Eve and also to Oscar (Junior Infants) and his family on the birth of his sister Sadie. Finally, there are two new baby boys, Jason and Sahid, born last Tuesday who both have brothers in Rang III! Congrats to the Kamel and McNamara families. Please let us know if there are any other recent additions to the LSP community that we've missed. And as a reminder, it is important to pre-enrol any siblings before their first birthday to ensure a place in the school.

Today was our **Green School Energy Action Day**. We had a fantastic day. Green piece will follow.....
